Project Title: Infinite Chemical Analysis Labs LLC (Project)

Project Location: The Project is located at 8312 MIRAMAR MALL, SAN DIEGO, CA 92121(-2520), in the City and County of San Diego.

County: San Diego County

Project Description:

The Department of Cannabis Control, pursuant to authority granted under Business and Profession Code Division 10, Chapter 2, Section 26012, approved a Cannabis License submitted on 03/27/2019, by Infinite Chemical Analysis Labs LLC. The Infinite Chemical Analysis Labs LLC applied for a testing laboratory license.

Project Activities:

The proposed project will operate a testing laboratory out of an existing facility located at 8312 MIRAMAR MALL, SAN DIEGO, CA 92121(-2520) (APN 343-260-13).

The applicant has proposed a 16,000 sq. ft. project size in a 49,272 sq. ft. building on a 3.37 acre property.

This property is used for Cannabis Testing. They collect their own samples using employees of ICAL. The samples are brought back to the building and tested under the state guidelines. The samples are then held in secure storage until destruction occurs following state and federal guidelines. They have very limited foot traffic into the facility because sampling is off site at the licensed cannabis facilities they service. They do not use heavy machinery on site.
