PROJECT TITLE: Olson Avenue Trunk Line Upsize
Environmental Assessment No. 2022-1

PROJECT LOCATION: Right-of-way of Olson Avenue and Cricket Hollow Park, Reedley, CA 93654

EXEMPT STATUS: Statutory Exemption

PROJECT DESCRIPTION: The proposed project includes repairing and upgrading a portion of an existing pipeline attached to a bridge over the Kings River. The upgraded pipeline would be connected to a new underground pipeline constructed in a portion of an existing City-owned park. The total length of the pipeline (including the upgraded pipeline and new pipeline) would be approximately 2,103 linear feet in length. The purpose of the proposed project would be to minimize the risk of future pipeline failures and to have the future pipeline sized to accommodate wastewater generated by anticipated population growth.

This project is exempt under Public Resources Code Section 21080.21

EXPLANATION: The proposed project would repair and construct a new pipeline totaling approximately 2,103 linear feet (0.4 mile) in length. The proposed project would be eligible for a Statutory Exemption because the overall length of the pipeline would be less than one mile.

Date: January 20, 2022
