Project Title: Wireless Telecommunications Facilities Ordinance and Design Guidelines

Project Applicant: City of Los Altos

Project Location (include county): City of Los Altos, Santa Clara County

Project Description:

The proposed project involves revisions to the City of Los Altos' existing standards for development of wireless telecommunications facilities, including an ordinance to regulate permissible locations and preferences for the location of wireless facilities. These locational standards, which would replace the locational standards now provided in City of Los Altos Resolution No. 2019-35, would be adopted by ordinance into Chapter 14.82 of the Los Altos Municipal Code.

This is to advise that the City of Los Altos has approved the above (Lead Agency or Responsible Agency)

described project on June 14, 2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
