Part 3. Exemption from Classification as a Development Project (Check any that apply)
Stormwater management measures apply to your project only if it meets the definition of a Development Project per County of San Diego BMP Design Manual Section 1.3 (Defining a Project). Your project is exempt from permanent post-construction stormwater management requirements if any of following apply:
<input type="checkbox"/> a. It includes only temporary activity that will not result in permanent post-construction changes. <input type="checkbox"/> b. It does not consist of construction, rehabilitation, redevelopment, and/or reconstruction work. <input type="checkbox"/> c. It includes only replacement of impervious surfaces that are part of a routine maintenance activity. <input type="checkbox"/> d. It includes only repair or improvements to an existing building or structure that do not alter the size. <input type="checkbox"/> e. It (1) does not contribute a manmade source of pollutants to stormwater, <u>and</u> (2) does not reduce the natural absorption and infiltration abilities of the land.
If NONE of the Boxes are checked - CONTINUE to Part 4.
If ANY of the Boxes are checked - STOP, sign under Part 2 above, and submit only this page. Do not complete Page 2. If requested by County staff, attach an explanation of the exemption(s) being claimed.
