SUBJECT: Filing of a Notice of Exemption for Long Range Project No. LR18-1684 Objective Design Standards for Multi-Family and Mixed-Use Developments

Dear Ms. Anderson:

Enclosed is the Notice of Exemption for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) please find a check in the amount of \$50.00, for the County Administrative fee to enable the City to file the Notice of Exemption required under Public Resources Code Section 21152 and 14 California Code Regulations 1507. The City of Temecula is paying the \$50.00 filing fee under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Also, please return a stamped copy of the Notice of Exemption **within five working days** after the 30-day posting in the enclosed self-addressed stamped envelope.

If you have any questions regarding this matter, please contact Sara Toma at (951) 506-5185.

Sincerely,

Luke Watson
Deputy City Manager

Statement of Reasons Supporting the Finding that the Project is Exempt:

In accordance with the California Environmental Quality Act ("CEQA"), the proposed Ordinance has been deemed to be exempt from further environmental review as there is no possibility that the proposed Ordinance would have a significant impact on the environment pursuant to State CEQA Guidelines Section 15061(b)(3). The proposed Ordinance revises the multi-family definition so that it applies to any housing project with two or more units and requires that multi-family and mixed-use housing developments comply with objective design standards. These Ordinances will not result in any increase in the intensity or density of any land use above what's currently allowed. Moreover, Government Code Sections 65852.21(j) and 66411.7(n) provide that an ordinance adopted to implement SB 9 is not a project under CEQA. Staff is recommending that a Notice of Exemption be prepared and be filed in accordance with CEQA Guidelines.
