

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: 6th Cycle Housing Element and Safety Element Update

Lead Agency: City of Foster City

Contact Name: Thai-Chau Le

Email: planning@fostercity.org Phone Number: 650-286-3244

Project Location: Foster City, San Mateo
City *County*

Project Description (Proposed actions, location, and/or consequences).

This Draft Environmental Impact Report (EIR) has been prepared to evaluate the potential environmental effects of the proposed Foster City Housing Element, and Safety Element (project). The project is being proposed by the City of Foster City to comply with California Government Code Sections 65580-65589.9, which requires local jurisdictions to update the Housing Element of their General Plan every eight years to adequately plan for the regional housing needs of residents of all income groups. The project includes: (1) adoption and implementation of the City's 6th Cycle Housing Element Update (2023-2031), including but not limited to the adoption and implementation of General Plan and Zoning Amendments, to accommodate the City's Regional Housing Needs Allocation (RHNA) of 1,896 new housing units within the city, and (2) adoption and implementation of updates to the City's Safety Element.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

See attached PDF entitled Project Effects and Proposed Mitigation Measures.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Caltrans and the NAHC encouraged the use of applicable CEQA regulations related to transportation and tribal consultation. Foster City residents raised concerns regarding housing sites identified in the Housing Element.

Provide a list of the responsible or trustee agencies for the project.
