Project Title: 6th Cycle Housing Element (2023-2031) and Safety Element Update Environmental Impact Report (EIR)

State Clearinghouse Number: 2022010509

File Number(s): EA2021-0004, GP2020-0002, GP2022-0001

Project Applicant: City of Foster City

Project Location (Address, APN, County): Various, citywide. Foster City is in San Mateo County, midway between the cities of San Francisco and San Jose. It is bordered by San Francisco Bay to the north and east, the cities of Belmont and Redwood City to the south, and the city of San Mateo to the west.

Project Description: The Housing and Safety Elements Update project includes the following components:

- Housing Element Update. Adoption and implementation of the City's 6th Cycle Housing Element Update (2023-2031), including but not limited to the adoption and implementation of General Plan and Zoning Amendments, to accommodate the City's Regional Housing Needs Allocation (RHNA) of 1,896 new housing units within the city. This component is referred to as the Housing Element throughout this EIR.
- Safety Element Update. Adoption and implementation of related updates to the City's Safety Element. The Safety Element is currently combined with the City's Local Hazard Mitigation Plan (LHMP), adopted in 2016. The City adopted an updated LHMP in 2021 in coordination with the San Mateo County Multijurisdictional Local Hazard Mitigation Plan. The Safety Element portion of the combined Safety Element/LHMP document will become a standalone document as part of

this update. The Safety Element identifies public safety risks and creates a unique set of goals, policies, and implementation actions that address these risks. This component is referred to as the Safety Element throughout this EIR.
