Project Title: Russian River County Sanitation District (RRCSD) Emergency Force Main Project

Project Location- Specific: The project site is located next to the RRCSD Vacation Beach Lift Station at 17820 Orchard Avenue, southeast of the unincorporated community of Guerneville, California, approximately 15 miles northwest of Santa Rosa in central Sonoma County (Figure 1). The project will be located on the same site as the facilities being replaced (Figure 1).

Project Location – City: Guerneville

Project Location – County: Sonoma

Description of Nature, Purpose and Beneficiaries of Project: The RRCSD will conduct emergency replacement of approximately 800 linear feet of pressurized sewer pipeline (force main). The replacement is necessary to avoid a failure of the force main that could result in the release of untreated sewage into the Vacation Beach residential neighborhood or mainstem Russian River. A threat of imminent failure has been determined through video surveillance that identified the deteriorated condition of the pipe that is consistent with the condition of other segments of the force main that have recently failed, resulting in sewer leaks. The segment of force main to be replaced begins at the Vacation Beach Lift Station and extends eastward approximately 400 feet along Orchard Avenue and 400 feet into previously disturbed ruderal upland habitat consisting of an understory dominated by poison oak, blackberry, and ivy species with scattered trees.

Name of Public Agency Approving Project: Russian River County Sanitation District

Name of Person or Agency Carrying Out Project: Sonoma County Water Agency

Exempt Status (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec.21080 (b)(4); 15269(b) and (c));
- Categorical Exemption. State type and section number: CEQA Guidelines 15301: Existing Facilities, 15302: Replacement or Reconstruction
- Statutory Exemptions. State Code number:

Deva Marie Proto, County Clerk
BY: BSP
Betsy Penn, Deputy Clerk

Reasons why project is exempt: The emergency project is necessary to maintain service of the RRCSD force main and to prevent a potential sewage leak into the Vacation Beach neighborhood or mainstem Russian River. The project consists of the replacement of existing public utility systems at the same site and with substantially the same purpose and capacity of the facilities being replaced, which is necessary to maintain service essential to public health and safety, and to prevent an anticipated emergency.
