Project Description: (please use a separate page if necessary)

The existing 38-acre property is predominately planted in vineyard and undeveloped. The property owner proposes to subdivide the property into three parcels: Parcel 1 at 11.92 acres, Parcel 2 at 10.78 acres and Parcel 3 at 15.34 acres in size. Additional project elements include the proposed construction of two septic lines and one culvert upgrade associated with development of a 650-ft private roadway to provide access to each of the three parcels.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
