

**NOTICE OF INTENT  
TO ADOPT A MITIGATED NEGATIVE DECLARATION**

In accordance with Section 15072 of the California Environmental Quality Act (CEQA) Guidelines, this notice is to inform the general public that Reclamation District No. 756 has completed an Initial Study and Mitigated Negative Declaration (IS/MND) for the Bouldin Island Levee Rehabilitation Project (SCH #2019079082) and intends to adopt the Mitigated Negative Declaration for the project:

**Project Title:** The Bouldin Island Levee Rehabilitation Project

**Project Location:** Bouldin Island, San Joaquin County

**Project Description:** Reclamation District No. 756 to rehabilitate approximately 22,677 lineal feet of District levee along the South Mokelumne River corridor to sustainably meet the Bulletin 192-82 standard. Fill will be placed on the landside of the levee and the all-weather roadway will be improved. Habitat enhancements will also be incorporated into the project design.

**Findings:** Reclamation District No. 756 has determined that the Project, including mitigation measures included in the Project design, will not have significant effects on the environment.

**Comment Period:** February 4, 2022 to March 7, 2022

**Lead Agency:** Reclamation District No. 756
