Project Title: The Bouldin Island Levee Rehabilitation Project

Project Applicant: Reclamation District No. 756

Project Location (include county): Bouldin Island, San Joaquin County

Project Description:

Reclamation District No. 756 to rehabilitate approximately 22,677 lineal feet of District levee along the South Mokelumne River corridor to sustainably meet the Bulletin 192-82 standard. Fill will be placed on the landside of the levee and the all-weather roadway will be improved. Habitat enhancements will also be incorporated into the project design.

This is to advise that the Reclamation Distirct No. 756 has approved the above (Lead Agency or Responsible Agency)

described project on 03/16/2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

MBK ENGINEERS, 455 University Ave. Suite No. 100, Sacramento, CA, 95825; (916) 456-4400
