Description of Project: A proposal by the City of San Jacinto to consider a General Plan Amendment to adopt the 2021-2029 Housing Element Update.

Pursuant to California Government Code Sections § 65580 through § 65589.8, the City has undertaken an update of the Housing Element, which was last adopted in 2014. The Housing Element is one of eight state mandated General Plan Elements and it addresses issues related to existing and future housing needs of the community.

Exempt Status: (check one)

- Ministerial
- Not a project.
- Emergency Project
- Categorical Exemption.
- Declared Emergency.
- Statutory Exemptions.
- Other. Explanation: §15060(c)(2) Preliminary Review & § 15061(b)(3) – Common Sense Exemption

Reasons Why Project Is Exempt:

The City Council has determined that the Project is exempt from environmental review under the California Environmental Quality Act ("CEQA") pursuant to §15060(c)(2) of the CEQA Guidelines - Preliminary Review - as it can be seen with certainty that the adoption of the Housing Element will not result in a direct or reasonably foreseeable indirect physical change in the environment; and, §15061(b)(3) - Common Sense Exemption - whereby the activity is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment; where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.
