As the lead agency, the City of Santa Maria is extending the public comment period for the Richards Ranch Annexation (AN2021-0001) from February 6, 2023 to March 7, 2023. The extension is resulting from a request for extension to March 7, 2023 by the Santa Barbara County Local Area Formation Commission (LAFCO), a responsible agency on this project under CEQA.
