Project Title: Mitigated Negative Declaration (SCH#2022020289) for Santa Gertrudis Creek Trail Phase II Undercrossing at Margarita Road (PW19-04)

Project Location: Santa Gertrudis Creek at Margarita Road, City of Temecula, County of Riverside

Project Description: The Proposed Project would construct a bicycle/multi-use trail undercrossing for the existing Santa Gertrudis Creek Trail. The existing trail crosses Margarita Road in the City of Temecula, which is a heavily traveled four-lane divided collector roadway. The proposed undercrossing would improve safety at this location by removing the need for existing at-grade roadway crossing for the trail. The Proposed Project consists of a total of approximately 610 feet of a shared bicycle/trail undercrossing, which would begin where the existing grade of the Santa Gertrudis Creek Trail ramps begin to elevate to meet the grade of the overcrossing of Margarita Road at the east and west sides. The Project would include the removal of existing pavements and soils to bring the proposed Santa Gertrudis Creek Trail to five percent grade, utility improvements, and the construction of the Santa Gertrudis Creek Trail in a new location beneath Margarita Road.
