Present Land Use/Zoning/General Plan Designation:

Land Use Designation: primarily Rural Land (RL) / Zoning: primarily A-2-2 (Heavy Agricultural)

Project Description: (please use a separate page if necessary)

The County of Los Angeles Department of Public Works is proposing the formation and operation of four new Garbage Disposal Districts (GDDs) and/or Residential Franchises (RFs) for the unincorporated County communities within Acton, Agua Dulce, and Antelope Valley. Under the GDD/RF contracts, selected solid waste hauler(s) would provide source-separated collection of refuse, recyclables, and organic waste. Manure collection, bulky items pickup, and illegal dumping pickups would also be provided. The proposed project supports the County's compliance with statewide targets set forth in Senate Bill 1383 pertaining to diversion of organic waste from landfills.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
