- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The Class 1 exemption (Cal. Code Regs., tit. 14, §15301) applies to this project, the closing of a school, as the closing requires at most minor alteration to existing facilities. The Class 14 exemption (Cal. Code Regs., tit. 14, §15314) applies to this project because at most, the closing will involve minor additions and will not increase the school's capacity. The common sense exception (Cal. Code Regs., tit. 14, § 15061 (b)(3)) applies where it can be seen with certainty that a Project will not have a significant effect on the environment. Here, the closure will reduce the property's use without changing the nature of that use, and thus will not have a significant effect on the environment.
