Present Land Use/Zoning/General Plan Designation:

Sports fields (baseball and soccer), Recreation/Recreation/Open Space

Project Description: (please use a separate page if necessary)

The City of Mission Viejo proposes to install ten (10) galvanized steel poles ranging in height from 60' to 90' at fields 2, 3, and 7, eliminate twelve (12) portable light generators at Marty Russo Youth Athletic Park (MRYP), located at 22056 Olympiad Road, in the R (Recreation) zone. The light fixtures will be factory aimed and utilize the latest LED technology, ensuring accurate light distribution and proper photometrics are provided on each ball field. Additionally, the light fixtures will utilize external visors to focus the light from each light pole onto each specific field, minimizing off-site light spillage and glare to the street and surrounding properties.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
 If you have already sent your document to the agency please denote that with an "S".
