Present Land Use/Zoning/General Plan Designation:

Industrial (Light and Heavy), Central Business District, General Commercial, and Highway Visitor Commercial

Project Description: *(please use a separate page if necessary)*

The proposed project amends Municipal Code 9.30 Cannabis Business to add operating regulations for retail businesses and to add a specified buffer between cannabis activities and schools or youth Center. The project also includes amendments to Title 18 Inland Land Use and Development Code which will establish new land use regulations to conditionally allow indoor commercial cannabis cultivation in the industrial zones and makes minor modifications to existing regulations for commercial cannabis activity in commercial zones. These proposed changes only apply to areas that fall under the jurisdiction of the Inland Land Use and Development Code which regulates the inland (non-coastal) area of Fort Bragg and applies to Industrial Light and Heavy Zones, Central Business District, General Commercial Zone, and Highway Visitor Commercial Zone. The proposed ordinance does not change the zoning of any parcels in the City limits and no physical development is proposed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
