Subject: Environmental Document Review – SCH # 2022020532 – Due to Lead Agency by 03/25/2022

Good morning,

Special Projects Section (SPS) recently received the referenced Notice of Environmental Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

[South Avenue Safety Project \(ca.gov\)](#)

Due to the project's geographical proximity, please use the attached checklist to assess its potential impact to local operations and public safety. If impact is determined, responses should be e-mailed directly to the Lead Agency with cc to SCH and myself.

For more information on the EIR review process, please check out: [Power Point Commanders EIR Training.pptx \(sharepoint.com\)](#).

Please feel free to e-mail me if you have any questions.

Thank you,
