Present Land Use/Zoning/General Plan Designation:

Pipelines would be constructed within portions of Mendocino County and Caltrans right-of-way. The MUSD property at 44020 Little Lake Road is zoned as "Public Facilities" and designated as "Public and Semi-Public Facilities."

Project Description: (please use a separate page if necessary)

The project would expand the use of recycled water on properties owned by the MUSD to offset potable water use and provide additional fire water storage and supply. The project includes new recycled water pipelines, irrigation systems, fire hydrants, and a new recycled water storage tank. Recycled water pipelines would be constructed within portions of the Mendocino County right-of-way on Kelly Street, Ukiah Street, Kasten Street, Little Lake Street, Lansing Street, Little Lake Road, School Street, and within the State right-of way within State Route 1. A new irrigation system would be installed at Friendship Park, and recycled water irrigation services would be provided to Mendocino High School and the K-8 School. A recycled water storage tank would be installed at MUSD-owned property at 44020 Little Lake Road.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
