

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The Board of Directors of the Woodville Public Utility District (District) hereby gives notice, pursuant to California Public Resources Code section 21092, that it intends to adopt a Negative Declaration with respect to a proposed project.

Project Title	Well Replacement Project
Project Description	Construct and operate Municipal Water Well and connect same to existing water system
Project Location	Northeast corner of Road 164 and Avenue 164 (extension). A portion of Section 19, Township 21 South, Range 26 East, Mount Diablo Base and Meridian, Tulare County, California
Determination of Impacts	The Project is not anticipated to have any long-term negative environmental impacts. Short-term construction related potential impacts will be avoided to a less than significant level by conducting pre-construction biological surveys and by use of construction specifications requiring proper and defined mitigation measures.

The Initial Study of the environmental impact for the proposed Project indicates that the proposed Project will have no significant effect on the environment with the use of defined mitigation measures. In light of the foregoing, at the March 1, 2022, meeting, the Board of Directors of the District adopted a resolution authorizing this Notice of Intent to Adopt a Mitigated Negative Declaration.

The public review of this matter shall be deemed to have begun with the adoption of the initial resolution on March 1, 2022. The last day for the public review period is April 1, 2022. During the public review period, copies of the proposed Mitigated Negative Declaration, Monitoring and Reporting Program and Initial Study will be available at the office of the District.

A Public Hearing addressing the adoption of the proposed Mitigated Negative Declaration will, therefore, occur during the Board of Directors meeting of the District, scheduled to commence at 4:20 p.m. on Tuesday, April 5, 2022, at its office located at the noted address.
