On March 7, 2022, Tom Dodson & Associates (TDA) aided the Phelan Piñon Hills Community Services District (PPHCSD) in publishing the Draft Initial Study for the PPHCSD Wells No. 15 and 16 Development Project. The project was submitted to the State Clearinghouse through CEQASubmit and assigned SCH#2022030213. We discovered that there were errors on the Notice of Completion with the cross-streets, zip code and Section. Please accept our apologies for this error. We would like to request that the corrected Notice of Completion be uploaded to our published project. Do not hesitate to give me a call if you have any questions regarding the content of this request.
