SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2022030391

Project Title: James Irrigation District Solar Project #1

Project Applicant: James Irrigation District

Project Location (include county): APN 030-170-32T, Fresno County

Project Description:

The proposed project involves the installation of a 3.5-megawatt solar array system. The project also includes service boards and step-up transformers as well as metering facilities, conductors, and safety equipment for interconnection to Pacific Gas and Electric's (PG&E) distribution system. The solar power generated on the project site would be used to generate bill credits for JID's meters to offset their PG&E energy generation charges.

This is to advise that the James Irrigation District has approved the above (Lead Agency or Responsible Agency)

described project on 4/26/2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 8749 9th Street, San Joaquin, CA 93660
