Re: TPM21-0008 (Woods) – Update to the Initial Study (IS)/Mitigated Negative Declaration (MND)/Mitigation Measure Agreement (MMA)

Butte County Submitted an IS/MND for TPM21-0008 (Woods) to the State Clearinghouse for review on March 7, 2022 and had a 30-day review until April 5, 2022. Butte County received comments from the California Department of Fish & Wildlife and the Department of Toxic Substances Control on the IS/MND. Based on those comments, the IS/MND and MMA were updated to address the comments. Other small corrections were also made.

The updates, shown as underlined (new) and strike-through (removed) are included:
