EXEMPT STATUS: CEQA Guidelines Sections 15301 and 15302

REASONS WHY PROJECT IS EXEMPT: At its March 4, 2022 meeting, the Central San Board of Directors independently found that the project is exempt from California Environmental Quality Act (CEQA) under Central San's CEQA Guidelines Section 15301, since it involves repairs, maintenance, and minor alterations to an existing sewage facility with no increase in capacity; and Section 15302, since it involves replacement of existing public facilities at the same location and with the same purpose. Any capacity increases are for non-growth inducing, wet weather purposes.
