The proposed project is a multi-family residential subdivision consisting of 24- two story buildings and 12- one story buildings which will house 216 residential dwelling units on approximately 14.67-acres. Also included is a one-story clubhouse offering resident amenities and a pool. The development of the apartment complex would result in on-site infrastructure improvements, such as security fencing, covered parking, connections to existing city water, sewer and storm drain inlets, and landscaping. The project would also require frontage improvements on Glass Avenue, Corvina Avenue, and Retherford Street.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
