Project Title: Gilman Springs Shoulder and Median Widening Project

Project Applicant: County of Riverside, Transportation Department

Project Location (include county): Unincorporated Areas (Riverside)

Project Description:

The County of Riverside Transportation Department (County), in cooperation with the California Department of Transportation (Caltrans), proposes to widen the median and shoulders along Gilman Springs Road, from approximately 1.29 miles north of Jack Rabbit Trail to approximately one mile south of Bridge Street. The project would also include one approximately 6,900-foot-long passing lane in the northbound direction, from approximately 1,350 feet north of Bridge Street to approximately 1,200 feet

This is to advise that the Riverside County Transportation Department has approved the above (Lead Agency or Responsible Agency)

described project on and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
