NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION (MND)

Pursuant to Title 14 of the California Code of Regulations, Sections 15072 and 15073, this is to advise that the City of Corona, which is the lead agency overseeing this project, has completed a Mitigated Negative Declaration for the proposed project described below.

Project Title: Magnolia Avenue Bridge Widening El Camino Avenue to 1,000 feet east of All American Way

Comment Period: March 30, 2022, to April 29, 2022

Lead Agency: City of Corona, Public Works Department, 400 South Vicentia Avenue, Corona, CA 92882

Lead Agency Contact: Peter Ramey: email: peter.ramey@coronaca.gov / phone (951) 736-2278

Project Description: The City of Corona proposes to widen the Magnolia Avenue Bridge over Temescal Wash Channel and its approaches from El Camino Ave to 1,000 feet east of the private All American Way, or approximately at Leeson Lane. The Project will increase the number of travel lanes from four to six consistent with the City's General Plan, install ADA-compliant sidewalk, curb and gutter, and striping for a shared shoulder and Class III bike route, medians, and 12-foot-wide travel lanes. The total roadway and bridge width would be increased by approximately 20 feet to approximately 100 feet, curb to curb, throughout the alignment, and right-of-way would vary between 109 and 119 feet wide throughout the alignment.

Address Where Hard Copy of the Mitigated Negative Declaration is Available: The Draft MND is available for public review at the City of Corona Public Works Dept, 400 South Vicentia Avenue, Corona, CA 92882, which is open Monday – Thursday 8:00 a.m. – 6:00 p.m. *Electronic copies can be viewed on the City's website at <https://www.coronaca.gov/government/departments-divisions/public-works>*

Public Review Period: The Initial Study/Mitigated Negative Declaration is being circulated for a **30-day review period**, which will commence on **March 30, 2022, and close on April 29, 2022**. Due to the time limits mandated by State Law, your comments must be received at the earliest date, but not later than **April 29, 2022**. Please send your comments to Peter Ramey, City Corona Public Works Division, 400 South Vicentia Avenue, Corona, CA 92882. Mr. Ramey may be reached by email at peter.ramey@coronaca.gov or via phone at (951) 736-2278.

Public Hearing: Written and oral comments regarding the MND/Initial Study and project may also be submitted at public hearings that will be held before the City of Corona City Council. The date, time, and place of future public hearings will be appropriately notified per City and CEQA requirements. Copies of all relevant material, including the project specifications, the MND, and supporting documents, are available for review at the City of Corona Public Works Division located at the address stated above.

Hazardous Materials Statement: The project site is not a listed toxic site pursuant to Government Code Section 65962.5.

Sincerely,

Barry Ghaemi, Senior Engineer/Project Manager
