Reasons why project is exempt: On March 15, 2022, the City Council adopted Resolution No. R-2022-16, adopting GPA 2021-02 and also adopting a "Common Sense" exemption for GPA 2021-02, finding that GPA 2021-02 is exempt from CEQA pursuant to the common sense CEQA exemption (CEQA Guidelines Sec. 15061(b)(3)) which provides that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Since no development project or other physical change to the environment would be approved by the adoption of the Housing Element, it can be seen with certainty that there is no possibility that Housing Element adoption may have a significant effect on the environment and will not result in any changes in the existing physical environment, and therefore is not subject to CEQA.
