EDITS TO STATE CLEARINGHOUSE (SCH) NOTICE OF EXEMPTION (NOE) POST:
2022030556

Dear Ms. Rodriguez,

The California Department of Fish and Wildlife (CDFW) submitted an NOE (SCH # 2022030556) through the SCH CEQA Submit portal on March 21, 2022. There are two non-substantive errors in this NOE post that need to be corrected.

The corrections are as follows:

1. Under "Reasons for Exemption" text with strikethrough has been removed, while bolded text has been added.
 - a. "Project involves the construction of a limited number of new solar arrays with a small footprint, ranging from 0.631 acres to 1.3 acres. These arrays are accessory to already existing CDFW facilities. Based on these factors, ~~this project~~ **CDFW** finds the project exempt pursuant to CEQA Guidelines sections 15303 and 15311."

2. The file name of the NOE document has the uploading user's name.
 - a. The current link to the NOE on the CEQAnet website is titled C_user_WErwin_Desktop_NOE_Submit_CDFW Solar Pilot Project Signed NOE. CDFW is requesting the "C_user_WErwin_Desktop_NOE Submit"_be removed on the file name.

If you have any questions regarding the requested changes, please feel free to contact Wyatt.Erwin@wildlife.ca.gov. Thank you for your attention to this matter.

Sincerely,

Lance Salisbury
Senior Environmental Scientist, Supervisor
Habitat Conservation Planning Branch
