810 E Street
Williams, CA 95987

Dear Mrs. Ramsaur:

In response to Environmental Document Review and Response, SCH #2022030559, for Project Title: Valley Ranch Unit 4, Tentative Map; TM 2021; 12 Commercial Lots, if approved, it has the potential to impact local Area operations and public safety. Increasing the infrastructure in the proposed location, will increase traffic in the surrounding areas. Thus, increasing the potential for increased traffic collisions at several surrounding locations. In addition, increased commercial businesses located near the California Highway Patrol Williams Area Office has the potential to increase the frequency of contacts with the public at or in front the Area office.

Should you have any questions regarding this matter, you may contact Sergeant Blayne Kilkenny or myself at (530) 473-2821.

Sincerely,

A handwritten signature in blue ink that reads "Ben Fillman".

B. C. FILLMAN, Lieutenant
Commander
Williams Area
