Project Title: Latimer Pier Rebuild (Lake and Streambed Alteration Agreement EPIMS Notification No.NEV-22866-R2)

Project Location: The project is located at Donner Lake, in the County of Nevada, State of California; Latitude 39.328026, Longitude -120.248656; 13535 Donner Pass Road Truckee, CA 96161; Assessor's Parcel Number: 018-364-016-000.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement EPIMS Notification Number NEV-22866-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Greg Latimer.

The project is limited to the removal of the existing shared fixed pier and the rebuilding of a private use pier with a boat lift. The existing thirty-nine wooden posts, thirty-one 34"x34" concrete footings and four 36"x72" concrete footings will be removed. The new pilings will be 10 3/4" in diameter and driven to a depth of 6' into the lake bottom. The steel beams will be supported by 4"x6"x120' steel joists that are attached to each piling. Tigerwood decking will be used as the decking surface. There will be a reduction of 303.1 square feet of lake bottom disturbance. Caissons will be installed around the piling. All debris and staging will be contained on a floating amphibious barge. All material transport will be via barge and loaded/offloaded at Donner Lake Marina.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: Greg Latimer

Exempt Status:

- Categorical Exemption. Type – Class (2); California Code of Regulations, title 14, sections (15302)

Reasons why project is exempt: The Project is class 2 exempt because it consists of the replacement of existing structures where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.
