SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2022030717

Project Title: Hood Septic Conversion (Streambed Alteration Agreement EPIMS Notification No. SAC-51184-R2)

Project Location: The project is located at the Sacramento Drainage Canal crossing and the Stone Lake Slough crossing of Hood Franklin Road, in the unincorporated community of Hood south of the City of Sacramento and west of the City of Elk Grove, in the County of Sacramento, State of California; Latitude 38.37301, Longitude -121.48942 (Sacramento Drainage Canal) and Latitude 38.36556, Longitude -121.50969 (Stone Lake Slough) (WGS 84 datum, decimal degrees).

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number SAC-51184-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sacramento County - Office of Planning & Environmental Review.

The project is limited to the installation of a sewer line that will cross underneath the Sacramento Drainage Canal and Stone Lake Slough. A high-density polyethylene (HDPE) pipeline would be installed under the Sacramento Drainage Canal box culvert and Stone Lake Slough via horizontal directional drilling (HDD). An approximately 1,610-foot-long horizontal hole would be required to span the Stone Lake Slough crossing and an approximately 400-foot-long horizontal hole would be required to span the Sacramento Drainage Canal crossing. Both HDDs will have a minimum clearance of 20 feet underneath the channel beds.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

Notice of Determination

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
