Project Description (Proposed actions, location, and/or consequences).

The Project is an approximately 2,600-parking space, 7-level East Garage, located adjacent to the existing Viejas Casino. The garage would have a base footprint of approximately 150,000 square feet. Approximately 397 parking spaces would be lost to the structure, resulting in a net increase of 2,203 spaces. The Project site is approximately 3.7 acres in size. The East Garage would be built on a currently developed and paved area north of the Casino. This area is currently used for surface parking.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No significant effects were identified. No mitigation is required

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No area of public controversy.

Provide a list of the responsible or trustee agencies for the project.

Native American Heritage Commission submitted a comment on the NOP.
