## Notice of Completion, page 2

### Present Land Use / Zoning / General Plan Designation: (continued)

North: Existing warehouse with truck parking operations immediately to the north.  
East: Tippecanoe Avenue and the San Bernardino International Airport to the east.  
South: Central Avenue roadway, large ARCO service station at the SW corner of Tippecanoe and Central, with residences and small businesses to the direct south.  
West: Large Warehouse

### Project Description: (continued)

Clean Energy does not own or rent vehicles and this site will not function as a “truck transportation yard” because it does not include servicing or maintaining trucks. Trucks will be parked at the proposed Facility for fueling purposes only. The car parking spaces are intended for the truck drivers to park personal vehicles during working hours.

The fueling station will consist of up to four (4, 2 initially) “fast-fill” CNG dispensers and 153 (Phase 1) Truck Time-Fill Parking Spaces. At a general descriptive level the following facilities will be installed: the vehicle fast-fill CNG dispensing station; associated control equipment pads; interconnecting piping; electrical and safety systems; modular fueling canopy; three CNG storage vessels and concrete pad; 2 dryers; 4 compressors; switch gear and transformer; 153 truck time-fill parking spaces (Phase 1) (asphalt parking area); 151 regular parking spaces (Phase 1); 6-foot chain length fence surrounding the property; three gates (two on Central for routine access) and one on Tippecanoe for emergency access); two bioretention basins to capture onsite storm water runoff; and landscaping.
