SUBJECT: Filing of Notice of Exemption in compliance with Section 21108 or 21152 of the Public Resources Code

<p><b>PROJECT TITLE: Accessory Dwelling Unit and Misc. Planning Code Amendments + Subdivision Code Amendments</b></p> <p>STATE CLEARINGHOUSE NUMBER (If submitted to State Clearinghouse): The Ordinance relies on the certified Oakland 2045 GPU Phase 1 Environmental Impact Report (EIR), State Clearinghouse No. 2022030800, and is categorically exempt from CEQA pursuant to Sections 15061(b)(3) (general rule, no significant effect on the environment) and 15183 (projects consistent with General Plan and Zoning) of the CEQA Guidelines. The proposed Ordinance would not result in any significant effect that has not already been analyzed in the 2045 GPU Phase 1 EIR, and there will be no significant environmental effects caused by the changes that have not already been analyzed in this EIR. As a result, none of the circumstances necessitating preparation of additional environmental review, as specified in CEQA and the CEQA Guidelines, including, without limitation, Public Resources Code Section 21166 and CEQA Guidelines Sections 15162, 15163, or 15164 are present in that: (1) there are no substantial changes proposed in the project or the circumstances under which the project is undertaken that would require major revisions of the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and (2) there is no new information of substantial importance," as defined in CEQA Guidelines Section 15162(a)(3). Pursuant to CEQA Guidelines section 15164, the City also confirms that there are no changes that warrant an Addendum to the GPU Phase 1 EIR.</p>
<p><b>PROJECT APPLICANT: City of Oakland, Bureau of Planning</b></p>
<p><b>PROJECT LOCATION: Citywide</b></p>
<p><b>PROJECT DESCRIPTION:</b> Ordinance: (1) Amending The Oakland Planning Code (Title 17) Of the Oakland Municipal Code ("OMC"), As Recommended By The Planning Commission, To: (A) Update Regulations For Accessory Dwelling Units (ADUs) And Junior Accessory Dwelling Units (JADUs) To Comply With State Law And Implement Miscellaneous And Clean-Up Changes In Support Of The Title 17 Amendments Adopted In October 2023 To Streamline The Development Review Process For Small Projects And Improve The City's Ability To Improve More Complex Projects, Such As Housing, And (B) Provide Written Findings In Support of ADU Planning Code Regulations Restricting the Development of ADUs In The S-9 Overlay Zone and For Non-Habitable Space In Multi-Family Buildings; (2) Amending The Oakland Subdivision Code (Title 16) of the OMC To Remove The Prevalent Lot Size Requirement, In Line With Previous Title 17 Changes Adopted in October 2023; And (3) Making Appropriate California Environmental Quality Act Findings.</p>

This Notice of Exemption (NOE) advises that the City of Oakland, as the Lead Agency for the above-described Project, has approved the Project and has made the following determinations on June 18, 2024. The City has determined that the City's action is exempt from CEQA pursuant to CEQA Guidelines 15061(b)(3) (general rule, no significant effect on the environment) and CEQA Guideline Section 15183 (projects consistent with a Community Plan, General Plan or Zoning).

NOTE: Separately and independently from the above CEQA exemptions, the Project also complies with CEQA for the following reasons: Reliance on the Oakland 2045 GPU Phase 1 Environmental Impact Report (EIR), Resolution No. 89907 C.M.S., passed on September 26, 2023. As such, no further environmental review is required under CEQA Guidelines Sections 15162, 15163, or 15164. While the Project does not propose specific private developments, construction would be a reasonably foreseeable future outcome of its adoption. For the purposes of environmental review, this Draft EIR establishes the Phase 1 Oakland 2045 General Plan Update Buildout Program (Buildout Program), which represents the maximum feasible housing development that the City has projected can reasonably be expected to occur through 2030. The Buildout Program assumes approximately 41,458 new housing units would be developed under the Project during the projection period ending in 2030, although the actual pace of development will depend on market conditions, property owner interest, and in the case of affordable housing—available funding and/or other incentives.

This is to advise that the City of Oakland has approved the above described project on October 3, 2023 and has made the following determinations regarding the above described projects.

(Date)

1. The project  will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were  were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan  was  was not] adopted for this project.
5. A statement of Overriding Considerations  was  was not] adopted for this project.
6. Findings  were  were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at:
