Re: SCH # 2022040044

The District at Jurupa Valley Draft Environmental Impact Report and associated documents and forms were uploaded to the CEQA Submit website on June 15, 2023, for a review period that would start on June 16 to July 31, 2023.

Following the upload of the Project materials it was noted that confidential information was inadvertently included in the Draft EIR and Appendix D14_Phase I ESA_07.15.22_Revised 08.28.22.pdf. Additionally, the NOC form did not include a checked box for Industrial Land Development and the square footage calculations were incorrect.

Please find as attachments to this email the correct DEIR, Appendix D14, and NOC documents.

We request that these documents replace the documents inadvertently uploaded previously for the project.

Please feel free to reach out to me with any concerns or questions.

Sincerely,

Ernest Perea
Jurupa Valley CEQA Administrator
