To whom it may concern,

The March 1, 2024 Final EIR for SCH # 2022040061 failed to include one comment letter received during the Draft EIR public review period. We have made changes to Final EIR Chapters 3 and 4.3 to incorporate the missing comment letter and provide responses. We have also updated the NOA and NOC with new public review periods and hearing date to accommodate the change.

Thank you,
