Present Land Use/Zoning/General Plan Designation:

Vacant with some residential commercial; CS - Service Commercial (Zoning); Medium Density Residential (Land Use Designation)

Project Description: (please use a separate page if necessary)

Due to incompatibility with the Kings County Airport Land Use Compatibility Plan (ALUCP), the Project requests approval of a General Plan Amendment (GPA No. 2021-01 C) and Pre-zone/Rezone (Rezone No. 2021-11) related to an annexation request already in process that is scheduled to be heard and anticipated to be approved (pursuant to Section 5637.3 of the Government Code) by Kings County Local Agency Formation Commission (LAFCO) on March 30, 2022. The GPA will change the General Plan land use designation from Medium Density Residential to Corridor Mixed Use. The Pre-zone/Rezone will pre-zone the site to MX-C - Corridor Mixed Use, which is consistent with the proposed land use designation of Corridor Mixed Use. Both the proposed land use designation and rezone permit uses are compatible with the ALUCP. No development is proposed as part of the Project.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
