Project Title: Minkov Good Fields Agro Domestic Water Diversion Project (Lake or Streambed Alteration Agreement No. EPIMS-HUM-26277-R1)

Project Location (include county): The project to be completed is located within the Dry Creek watershed, approximately 3.6 miles northeast of the town of Honeydew, County of Humboldt, State of California. The project is located in Section 21, T2S, R1E, Humboldt Base and Meridian; in the Bull Creek U.S. Geological Survey 7.5-minute quadrangle; Assessor’s Parcel Number 107-300-011 (place of use) and 107-300-001 (point of diversion); latitude 40.27940 N and longitude 124.07011 W at the point of diversion (POD).

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number EPIMS-HUM-26277-R1, pursuant to Section 1602 of the Fish and Game Code to Mr. Veselin Minkov.

The project is limited to one encroachment to divert surface water for domestic use from an Unnamed Tributary to Dry Creek. Work for the water diversion will include use and maintenance of the water diversion infrastructure in compliance with the measures in this Agreement.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Mr. Veselin Minkov

Exempt Status:

- Statutory Exemption. State code number
- Categorical Exemption. Type – Class 1; California Code of Regulations, title 14, section 15301

Reasons why project is exempt: The project will authorize upgrading, use and maintenance of an existing formerly unpermitted surface water diversion for domestic use only. There would be no significant adverse impact on endangered, rare or threatened species or their habitat pursuant to section 15065. There are no hazardous materials at or around the project site that may be disturbed or removed. The project will not result in impacts that are significant when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.
