Categorical Exemption. State type and section number: Class 1, Section 15301 (c), Existing Facilities
Statutory Exemptions. State code number:

Reasons why project is exempt:

Project is exempt because it consists of minor alterations to existing public facilities that involve negligible expansion of use beyond that currently existing. Project involves improvements to reduce traffic congestion and will not add any through lanes or expand the vehicle capacity. The uses of the existing facilities will remain unchanged. No known archaeological, cultural, or paleontological resources are within Project limits. No exceptions to this exemption would apply.
