

**NOTICE OF EXEMPTION**

<p>TO: Office of Planning and Research 1400 Tenth Street Sacramento, CA 95814 <a href="mailto:state.clearinghouse@opr.ca.gov">state.clearinghouse@opr.ca.gov</a></p> <hr/> <p>County Clerk County of Riverside 2720 Gateway Drive Riverside, CA 92507</p>	<p>FROM: San Geronio Pass Water Agency 1210 Beaumont Avenue Beaumont, CA 92223 (951) 845-2577</p>
<p>1. Activity Title:</p>	<p>Approval of a resolution (“Resolution”) authorizing (1) the San Geronio Pass Water Agency (“Agency”) General Manager to execute a letter confirming the Agency’s commitment to the proposed Delta Conveyance Project, and (2) committing the Agency to contribute an additional \$4.22 million in funding to the Department of Water Resources (“DWR”) for environmental and planning costs associated with the Delta Conveyance Project.</p>
<p>2. Lead agency approving the activity:</p>	<p>San Geronio Pass Water Agency</p>
<p>3. Activity Location:</p>	<p>The Resolution and the activity it approved has no specific location as it does not entail construction, development, or any other activity that could potentially result in a significant environmental impact.</p> <p>The Resolution does not in any way approve or commit the Agency to a Delta Conveyance Project, which the Department of Water Resources (“DWR”) is still analyzing and considering. DWR anticipates that, if approved, a future Delta Conveyance facility might span portions of Sacramento, Yolo, San Joaquin, Contra Costa, and/or Solano counties.</p>
<p>4. Description of nature, purpose, and beneficiaries of Activity:</p>	<p>On April 11, 2022, the Agency approved Resolution No. 2022-08. The Resolution authorized (1) the Agency’s General Manager to execute a letter to DWR continuing the Agency’s commitment to the proposed Delta Conveyance Project through 2024, and (2) committing the Agency to provide an additional \$4.22 million in funding to DWR for the Agency’s share of the environmental and planning costs associated with the proposed Delta Conveyance Project.</p> <p>The resolution does not commit the Agency to any current or future project, and it does not entail any construction or other activity that could result in a potential physical change to the environment.</p>
<p>5. Exempt status:</p>	
<p><input checked="" type="checkbox"/> Not an approval of a project.</p>	<p>State CEQA Guidelines sections 15060(c)(3), 15378(a), (b)(2)(4)-(5)</p>
<p><input checked="" type="checkbox"/> Statutory exemption.</p>	<p>State CEQA Guidelines section 15262</p>
<p><input checked="" type="checkbox"/> Common sense exemption.</p>	<p>State CEQA Guidelines section 15061, subd. (b)(3)</p>
<p>6. Reason why activity was exempt:</p>	<p>The Agency’s approval of the Resolution does not qualify as a “project” subject to CEQA because it constitutes (1) continuing administrative or maintenance activities,</p>

such as general policy and procedure making; (2) government fiscal activities that do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment; and (3) organizational or administrative activities of a public agency that will not result in direct or indirect physical changes in the environment. (State CEQA Guidelines, § 15060(c)(3).) Moreover, the approval of the Resolution does not qualify as a “project” because it does not constitute an approval by the Agency of the Delta Conveyance Project nor do the actions authorize or approve construction of the Delta Conveyance Project. (State CEQA Guidelines, § 15378(b)(5).) The action does not authorize or commit the Agency or DWR to the expenditure of the funding on any site-specific project. (State CEQA Guidelines, § 15378(b)(4).) In addition, the action does not authorize or approve any actions by the Agency or DWR that may have a potential to result in either a direct, or reasonably foreseeable indirect, physical change in the environment. (State CEQA Guidelines, § 15378(a).)

Alternatively, the Agency’s approval of the Resolution is statutorily exempt from CEQA under State CEQA Guidelines section 15262, as the Resolution concerned “feasibility or planning studies for possible future actions [that] the agency ... has not approved, adopted, or funded.” (State CEQA Guidelines, § 15262.) Notably, although the Resolution provides for some funding for the environmental planning costs associated with the Delta Conveyance Project, it provides for no funding for the construction of the Delta Conveyance Project, nor does it otherwise commit the Agency to the Delta Conveyance Project.

Furthermore, the Agency’s approval of the Resolution is exempt from CEQA under the common sense exemption set forth in State CEQA Guidelines section 15061(b)(3), as it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. None of the exceptions to this exemption identified in CEQA Guidelines § 15300.2 exist here.

7. Public Agency Contact Person:	Lance Eckhart, General Manager
