Project Description: (please use a separate page if necessary)

The proposed project is to build a bicycle skills course encompassing trail systems, jumps, and obstacles for all ability levels over seven acres of currently open and unused land on the south east portion of the City of Bishop park. The course will be built of dirt, rocks, wood and other natural resources in the area with trail signage and site map.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
