Subject: Withdrawal of Notice of Exemption – Sch #2022040340

---

To Whom it May Concern:

A Notice of Exemption was inadvertently filed on the CEQA Submit website under the incorrect Schedule Number. The NOE was to be filed as a separate project and not part of the NOD where it currently is located on the State Clearinghouse website.

I would like to request that the NOE be withdrawn from Sch #2022040340 with the other items left as is.

Thank you,
