

# Summary Form for Electronic Document Submittal

**Form F**

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Stratford-Lemoore CAPM

Lead Agency: Caltrans

Contact Name: Juergen Vespermann

Email: juergen.vespermann@dot.ca.gov

Phone Number: 5598320051

Project Location: Stratford, Kings County

*City*

*County*

Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation (Caltrans) proposes to preserve and resurface the existing lanes on State Route 41, including three ramps in Kings County near Stratford from Nevada Avenue (post mile 28.4) to the State Route 41/State Route 198 Separation Bridge (post mile R39.8).

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

About 0.0003 acre of Tipton kangaroo rat habitat will be permanently impacted from the installation of culvert flared end sections, and 0.011 acre will be temporarily impacted from foot traffic and off-pavement equipment use. A Section 2081 Incidental Take Permit from the California Department of Fish and Wildlife will be obtained for the Tipton kangaroo rat. Caltrans will purchase 0.02 acre worth of credits for permanent habitat and temporary habitat impacts.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

N/A.

Provide a list of the responsible or trustee agencies for the project.
