Subject: SCH Number 2022040417 – Revised Noticing Period for DEIR

Regarding SCH #2022040417, the NOA published on CEQAnet on February 14, 2025, contained a typographical error, incorrectly listing April 4, "2024" as the last day to submit public comments. To ensure accuracy and transparency, the City of Moreno Valley intends to restart the 45-day public review period and has attached a revised NOA. The new public review period will run from February 24 to April 10, 2025.

Please advise on the necessary actions for updating CEQAnet, including whether the City should make the revision or if LCI/The Clearinghouse will handle the update.

Thank you,

Emily Elliott, AICP
