Dear Mr. Navarrete:

6501 S Sepulveda Bl

This is in response to your letter dated November 4, 2020 regarding electric service for the proposed project at the above address.

Electric service is available and will be provided in accordance with the Department of Water and Power Rules and Regulations. The estimated power requirement for this proposed project is part of the total load growth forecast for the City and has been taken into account in the planned growth of the power system. Any system upgrades or extensions will be completed at the cost of the customer.

If you have any questions regarding this matter, please call Mr. Daniel Rostom at (213) 367-8067.

Sincerely,

*George Nino / DR*
