Project Description: (please use a separate page if necessary)

The Project seeks to entitle and permit development of the approximately 94.86 gross acre site with approximately 75.54 acres assigned to a proposed 1,414,362 square-foot warehouse building with employee/visitor and trailer parking, 7.61 acres assigned to additional trailer parking, 1.65 acres to remain undeveloped, and 10.06 acres dedicated for public roadways to facilitate access to the site and adjacent properties. The proposed Project is consistent with the City of Banning General Plan and Zoning Designations (Business Park). The project would dedicate and widen Hathaway Street to ultimate half-width per the General Plan standard for a Major Highway (4 lanes) and also construct and dedicate to the City three roadways along the northern (Wilson Street), eastern (First Industrial Way), and southern (Nicolet Street) perimeters of the site and dedicate ROW to the City for public use. The project would install curb, gutter, sidewalk, parkway landscaping, and street trees along these roadways fronting the Project site.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
