State Clearinghouse Number (if submitted to State Clearinghouse): 2022050294
Project Title: Reservoir 2B Replacement Project
Project Applicant: South Coast Water District
Project Location (include county): APNs 658-191-03, 658-191-04, and 056-051-29 in Laguna Beach, Orange County
Project Description:

The project would include demolition of the existing Reservoir 2B and construction of two new aboveground 0.1-million-gallon reservoirs, each approximately 33 feet in diameter and approximately 24 feet in height. The project also includes improvements to the unpaved access road leading to the reservoir site, which would consist of drainage improvements to mitigate stormwater runoff, installation of replacement power supply equipment, and asphalt paving of the road.

This is to advise that the South Coast Water District has approved the above (Lead Agency or Responsible Agency)

described project on (date) and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: https://www.scwd.org/about/district_projects/reservoir_2b_replacement.php
