

Notice of Intent To Adopt A Negative Declaration

NOTICE is hereby given that the County of Sacramento, State of California intends to adopt a Negative Declaration for the project described below.

Title: Active Transportation Plan

Control Number: PLER2019-00099

Location: Countywide

APN: Various

General Description: The Active Transportation Plan (ATP) provides policy, program, and infrastructure recommendations to improve active transportation (biking, walking, and rolling) within unincorporated Sacramento County. While many of the implementation measures are centered on policy, analysis, and monitoring, the ATP has proposed a myriad of infrastructure improvements including, new or upgraded pedestrian and bicycle facilities, lighting improvements, and safety enhancements at major intersections. The proposed infrastructure recommendations consist of 192 miles of sidewalk, 1,203 miles of bike lanes, and intersection and safety improvements at 192 locations. The ATP will replace the previously adopted Sacramento County Pedestrian Master Plan and the Bicycle Master Plan within the Sacramento County General Plan.

This document is the Initial Study/Mitigated Negative Declaration on the potential environmental effects of the adoption of the Sacramento County Active Transportation Plan (ATP). Specific development is not proposed under the ATP, and adoption of this CEQA document would not authorize any development. Future individual projects within the ATP will be subject to further environmental review. The ATP itself contains various programs, policies and recommendations pertaining to the development of pedestrian and bicycle facilities.

Review:

The review period for the Negative Declaration begins on **5-13-22** and ends on **6-13-22**. The Negative Declaration may be reviewed at www.per.saccounty.net and at the following location:
